

An evening with Thomas Bachelder

Join us for the inaugural launch of
Bachelder Wines
on February 26, at 6:30 p.m.

Thomas Bachelder, formerly of Le Clos Jordanne, has travelled the world in search of the best sites for Chardonnay and would like to show off his handiwork here at play.

The night will consist of Chardonnays from Oregon, Niagara and Burgundy, each paired with a dish that our chefs have created to showcase the wines. The night will finish up with a flight of all 3 Chardonnays side by side to experience the differences in regions paired with cheese.

The cost of the event is \$95 plus HST and gratuity

Please call us at the restaurant at 613-667-9207 to reserve
